## **INTERNATIONAL APPLICANT GUIDANCE FOR ONLINE AUDITION (FEMALE)**

### **Your Audition**

#### **ESSENTIAL CRITERIA**

Once you have applied for your chosen course, you can submit a DVD or a video link (e.g youtube channel) audition if you are an EU or international student and are unable to attend an audition in the UK. Please note that a video link is preferable to a DVD and will normally result in a quicker decision.

You are **not** required to pay an audition fee.

DVDs should be sent to; **Admissions, Royal Birmingham Conservatoire (Acting), Birmingham City University, 200 Jennens Road, Birmingham, B4 7XR.**

Video link auditions should be sent to [conservatoire.international@bcu.ac.uk](mailto:conservatoire.international@bcu.ac.uk)

All auditions should be submitted within four weeks of submitting your application form.

Please ensure that we can see the whole of your body throughout the audition – it is not necessary to provide close-ups or produce an edited piece of television, but you should ensure that the sound quality is sufficient for us to make an accurate assessment of your voice. You should supply the title, author and, if relevant, translator details with your speeches.

#### **SPEECHES AND FEEDBACK**

You should present two short speeches (one minute) which will be submitted to the course director. You should give a brief resume of the plays and characters, and what happens immediately before and after the scenes presented. You should also include reasons for your choice of speeches and your motives for attending drama school.

The speeches should be two contrasting speeches from different plays, one of which must have been written in the last 15 years and one of which must be from an Elizabethan / Jacobean play. A suggested list of Elizabethan / Jacobean pieces can be found in 'Suggested Audition Selections', below.

Each selection should be no more than one minute in length and suitable for your gender, age and experience.

All speeches should be from published plays. Excerpts from film script and television dramas may be acceptable but the use of unpublished plays is not advisable.

You should have read the whole of the play from which a speech is taken and be able to provide the correct title, name of the author and if relevant, the translator. You should know about the play and your character's journey within it (i.e. her motives etc.).

It is preferred that the content of the speeches should be something to which you can relate and understand. It is not advised that you attempt an accent unless you are entirely confident of its accuracy and only if it is appropriate to the speech.

Any performance choices you make should be justifiable within the text. The performance should reveal an understanding of the scene and character and an ability to create and share appropriate emotions and atmosphere. Try to make sure that any vocal and physical interpretation you do is strictly relevant.

### **Criteria for Speeches**

- Energy
- Achievement of contrast
- Choice of speeches
- Creation of environment
- Spatial awareness
- Use / handling of language
- Suitability of physicalisation
- Power to hold an audience
- Identification with character
- Potential for development through training

### **CRITERIA FOR AUDITION ASSESSMENT**

The assessment of each candidate is based upon a set of criteria used consistently by staff, who comment on and mark the work shown.

### **DECISION ON AUDITION**

Decisions for international students applying via video/DVD may take up to 30 days of our receipt of your audition. If a decision cannot be reached regarding your audition, you may be asked to attend a recall audition in person in the UK. A schedule of recall dates is listed on our website. Should you not be offered a place, you can re-apply for the following academic year. Feedback is not provided for online auditions.

## POINTERS TO HELP AVOID CHOOSING THE WRONG PIECE

- Avoid materials unsuitable for your age and pieces where you have no understanding/experience of the context of the piece
- Avoid screenplays
- Avoid pieces made famous by an actor. (you will only draw comparisons)

Finally, may we remind you that the contemporary speech **should have been written within the last 15 years**; 'Road', by Jim Cartwright, was written in 1986. The idea is for you to be able to demonstrate your knowledge of contemporary repertoire.

Ultimately, choose something that you feel confident with and you believe will demonstrate your potential to train as an Actor at Royal Birmingham Conservatoire (Acting).
